

INFORMATION FOR MATERIAL TRANSFER AGREEMENTS

(Outgoing Material)

Please attach additional pages, if necessary, for explanations.

1. What source(s) of funding supported the research from which the Material resulted? (e.g., government agency such as NIH, etc.; foundation(s) such as American Heart Association, etc.; industrial/company support.)

Name of funding source(s): _____

Grant No. or Date of Agreement: _____

2. Was the material made using any other material(s) received from another institution, company or any other third party? Yes No

If yes, is there an agreement(s) or correspondence of any kind related to the transfer and use of that material(s)? Yes No

If yes, please provide a copy of such agreement(s) and/or any correspondence between you and the provider of the other material to your campus research office.

3. For what purpose will the Material be used by the party receiving the Material? Please explain.

4. Will the research involve the production of “derivatives,” “modifications,” “progeny,” or other substance? Yes No

If yes, please explain. _____

Should UT retain any rights to such material(s)? Yes No

5. Is there any reason to restrict the right of the recipient to publish the results of work done with the Material? Yes No

6. Will any students be involved in the research conducted using the Material? Yes No

7. Do you anticipate that ANY inventions will be developed or arise from the other party's research conducted with the use of the Material? (Please discuss.) _____

8. Is the Material the subject of or relevant to an Invention Disclosure? Yes No

If no, should it be? Yes No

If yes, please provide information related to the disclosure. _____

9. Are you or anyone involved in the production of the Material affiliated with the VA? Yes No

10. Is the Material hazardous? Yes No

If yes, please explain. _____
